Dear Praying Friends,

Thank you for 'helping us by prayer' (2 Cor. 1:11).

Back to Japan We made it! 10 hours late because BA cancelled our flights and we had to fly from Edinburgh to where Amy kindly drove us! We were able to have the craft event at Gamo the next day as planned and were pleased to have two husbands who heard the gospel for probably the first time. The two concerts and potato picnic in October went well and we were very thankful to have new people attend.

November Events Evangelistic bible studies at Gamo on 2nd and 9th, lunchtime evangelism at Yamamoto on 16th, concert at Yuriage on 18th. Please pray that the Lord will open doors at Hitokita as well. On Sundays Rod is preaching through Galatians and on Wednesdays we are studying the Gospel of John which is super fun. It's great to be part of a living Japanese church.

On 3rd we have a meeting of all NE Japan OMF missionaries. Pray that the Lord will keep us on the straight and narrow : that we will always be a Word-centered, evangelistically-minded, church-planting focused, and well-led organisation.

Family news Thank you for praying for Amy who has largely recovered from her colonectomy. Please pray there is no recurrence of cancer. Please pray for Andrew to have safety at work. Esther and family are coming from Australia to visit us from 16th for 2 weeks! Christine and husband Marius are working in Peru.

love in Christ
